NITTO TIRE U.S.A. INC.

MINIMUM ADVERTISED PRICE POLICY

Nitto Tire U.S.A. Inc. (“Nitto”) is dedicated to manufacturing and selling tires of the highest quality for vehicle enthusiasts. Nitto’s tire sizing, tread patterns and tire compounds combine modern aesthetics with advanced technology.

Nitto dedicates substantial resources into developing and marketing its products and is proud to associate with Authorized Dealers and Downstream Resellers (as defined below) who dedicate the time and effort to ensure their customers’ satisfaction with Nitto brand tires, protect the Nitto brand reputation, and provide excellent customer service. Nitto wants to protect their ability to do so by discouraging price-based advertising that would be detrimental to customer service and support efforts.

In an effort to preserve the integrity of the Nitto brand and its reputation for providing customers with high value products and strong after-sales support, and to further enhance our image and competitiveness in the marketplace, Nitto is unilaterally establishing this Minimum Advertised Price Policy (“MAP Policy”) to support our Authorized Dealers and any Downstream Resellers.

MAP POLICY INTRODUCTION

This MAP Policy establishes advertised price standards for Nitto tires (refer to Exhibit A for a complete list of “Covered Products” at this time) and applies to all Authorized Dealers and Downstream Resellers who advertise Nitto tires for sale.

Authorized Dealers and Downstream Resellers shall not advertise Nitto tires at prices less than the minimum advertised price (“MAP”) as set forth in Exhibit A. Any Advertising that contains prices lower than the MAP will be in violation of this MAP Policy.

This MAP Policy does not address, restrict or limit the actual prices at which Authorized Dealers and Downstream Resellers choose to sell Nitto tires to their customers. **Each Authorized Dealer and Downstream Reseller is free to set its own selling price for Covered Products or any other product independently. Nitto and its employees have no authority to define what the actual selling prices must be or to otherwise interfere with the establishment of resale prices by Authorized Dealers and Downstream Resellers.**

Although Authorized Dealers and Downstream Resellers remain free to establish their own selling prices, Nitto will unilaterally impose sanctions as described herein against those who advertise Covered Products below the applicable MAP.

1) DEFINITIONS.

- a) **“Advertising”** refers to any digital, electronic, visual, audio or printed communication intended to solicit sales of Nitto tires that appears in any form of public media including,

NITTO TIRE U.S.A. INC.

P.O. BOX 6064

Cypress, CA 90630-6064

email: map-policy@nittotire.com

without limitation, flyers, posters, coupons, mailers, inserts, newspapers, magazines, catalogs, television, radio, and public signage, as well as Internet sites, social media sites, “apps,” or any other digital or electronic media.

- b) **“Authorized Dealer”** means a person or business entity that purchases Covered Products directly from Nitto.
 - c) **“Covered Products”** mean the specific model of Nitto brand tires that we designate now in Exhibit A or in the future.
 - d) **“Downstream Reseller”** means a person or business entity that is not an Authorized Dealer that sells Covered Products.
 - e) **“Seller(s)”** collectively refers to an Authorized Dealer and Downstream Reseller.
- 2) **EFFECTIVE DATE.** This MAP Policy applies to all Advertising that a Seller conducts on and after January 1st, 2019 (the “Effective Date”). Nitto reserves the right to modify or terminate this MAP Policy, including, without limitation, changing minimum advertised prices, adding or deleting Covered Products, or revising MAP Policy guidelines, at any time, without notice and at our sole discretion. A current MAP Policy can be found at www.nittotire.com/map-policy (“MAP URL”). Any change to this MAP Policy will be posted at the MAP URL and will be effective immediately upon posting.
- 3) **MAP POLICY GUIDELINES.**
- a) A Seller shall not advertise Covered Products in any Advertising at prices less than the MAP on and after the Effective Date. This MAP Policy applies to all Covered Products that Sellers display on any website regardless of whether the Seller owns or controls the website. For purposes of clarity, this MAP Policy applies to all advertised online prices, including when Covered Products are displayed online in any medium. It is a violation of this MAP Policy to (i) display Covered Products online without any price advertised, but instead with wording such as “add to cart” or “see price in cart”; or (ii) include with Advertising language, symbols, or imagery indicating or implying that lower pricing is available in the cart or otherwise (*e.g.*, “see cart for lower price” or “lowest price guaranteed”).
 - b) A Seller shall not use strike-through advertised pricing (or similar advertising mechanisms or alterations) where the Advertising would lead a customer to reasonably believe that the product price being shown is less than MAP price. For example, an advertised MAP price shown as \$~~100~~ is prohibited under this MAP Policy.
 - c) Website features such as automated “bounce-back” pricing e-mails, pre-formatted e-mail responses, forms, and automatic price display for any Nitto tires before items are placed in a customer’s shopping cart, and other similar features are considered to be communications initiated by the Seller (rather than by the customer) and constitute Advertising under this MAP Policy.
 - d) Pricing that appears on any website is considered an advertised price and must adhere to this MAP Policy until the consumer places the Nitto tires in the virtual shopping cart. Once

email: map-policy@nittotire.com

the Nitto tires enter the virtual shopping cart, it is considered part of the check-out procedure and its display in the check-out pages falls outside the scope of this MAP Policy.

- e) It shall not be a violation of this MAP Policy to advertise that a customer may “call for information,” “email for information,” or “chat for information,” or to use similar language. Actual prices charged or offered to a potential purchaser may be provided in direct response to such requests by telephone, email, chat, or other message. Such communications, which are responses to communications initiated by a potential purchaser (rather than the Seller), shall not be considered “Advertising” under this MAP Policy.
- f) It shall not be a violation of this MAP Policy to advertise in general that the Seller has “the lowest prices” or will match or beat its competitors’ prices, or to use similar phrases; so long as the Seller does not include any advertised price below MAP and otherwise complies with this MAP Policy.
- g) It shall not be a violation of this MAP Policy to advertise a separate available rebate (either “mail-in” or “instant” or other such wording) on a set of four (4) Covered Products in Advertising provided that “rebate” wording is used and that the rebate does not affect or reasonably imply prices of individual Covered Products as below MAP.
- h) In determining a Seller’s compliance with this MAP Policy, Nitto takes into account all “bundles” or “sets” of multiple Covered Products, price discounts, coupons, gifts, other free merchandise, and other types of incentives or promotional offerings (including, without limitation, any “gift with purchase”) that Seller chooses to offer in promoting Nitto tires in Advertising. The value of all such incentives and promotional offering shall be determined by Nitto, at its sole discretion, and shall be deducted from the price shown in the Advertisement to determine the effective advertised price.
- i) This MAP Policy does not apply to Advertising that is displayed inside or immediately outside a Seller’s physical place of business.
- j) An Authorized Dealer shall provide a copy of this MAP Policy to all its Downstream Resellers to provide notice that the MAP Policy will apply to those Downstream Resellers. We have sole discretion to enforce this MAP Policy against Downstream Resellers and may, among other things, place a Downstream Reseller on a “Known Violators” list without giving the Downstream Reseller prior notice of our decision.

4) **MAP POLICY ENFORCEMENT.**

- a) Nitto will enforce this MAP Policy through its own staff and outside consultants and agents. Nitto will uniformly apply this MAP Policy and unilaterally make all determinations relating to a violation of the MAP Policy in its sole discretion. There will be no negotiations or appeals and there are no exceptions to the MAP Policy.
- b) No Seller has the right to enforce the MAP Policy, either on its own behalf or on behalf of Nitto.
- c) It shall be a violation of this Map Policy for an Authorized Dealer to sell to a Downstream Reseller who is in violation of this Map Policy.

i) The names and addresses of known violators of this MAP Policy will be posted during the first week of each month at www.nittotire.com/map-policy (the “Known Violators List”).

d) **First Violation:**

i) Authorized Dealer or Downstream Reseller: A written notice of the first violation will be sent to the Seller. The Seller will have three (3) business days upon receipt of written notice to comply before it is considered a second violation.

e) **Second Violation:**

i) Authorized Dealer: A written notice of the second violation will be sent to the Authorized Dealer. The Authorized Dealer will forfeit the 1% Incentive Promotional Fund for the quarter in which the violation was identified. The Authorized Dealer will have three (3) business days upon receipt of written notice to comply before it is considered a third violation.

ii) Downstream Reseller: A written notice of the second violation will be sent to the Downstream Reseller. The Downstream Reseller will be added to the Known Violators List until the end of the next calendar month from the date of the Second Violation. The Downstream Reseller will have three (3) business days upon receipt of written notice to comply before it is considered a third violation.

f) **Third Violation:**

i) Authorized Dealer: A written notice of the third violation will be sent to the Authorized Dealer. The Authorized Dealer will forfeit the 1% Incentive Promotional Fund for the quarter in which the violation was identified and will be ineligible for such funds for a period of three (3) consecutive quarters starting from the date of the third violation. The Authorized Dealer will not receive Nitto tire shipments for a period of three (3) months from the date of the third violation.

ii) Downstream Reseller: A written notice of the third violation will be sent to the Downstream Reseller. The Downstream Reseller will be added to the Known Violators List permanently. Removal from the Known Violators List is subject to Nitto’s sole discretion.

5) **MAP POLICY ADMINISTRATION.**

a) This MAP Policy is an internal policy and therefore not negotiable. Nitto will unilaterally enforce this MAP Policy without prior warning to the Seller.

b) Nitto will not discuss our decisions relating to the enforcement of this MAP Policy or negotiate the terms of our decisions with any Seller and will not seek or accept assurances of any kind from any Seller as to the Seller’s future conduct.

c) This MAP Policy does not constitute an agreement between Nitto and any Seller. Compliance with this MAP Policy does not evidence any kind of agreement between Nitto and the Seller.
